## Apostles

### (The First Presidency and the Quorum of the Twelve)

The fifteen apostles have been placed in order of seniority (not grouped by their two quorums, as is more common) to illustrate how succession works. The titles that are determined by seniority are in regular rectangles; the titles that are determined by calling are in rounded rectangles.

	1	6'	6'	8'	What is his name?	What was the talk (or talks) about?	What will I do about it?
President of the Church					Thomas S. Monson	<u>Getting the most out of conference</u>  <u>Story: Atheist changes when wife dies</u>	<u>Encourage the youth to sing</u>  <u>Reminded me of recent atheist-turned-deist</u>
President of the Twelve					Boyd K. Packer	Some apostles didn't have active parents	Highlight that for the youth with the same family situation
