E.g., These two weeks of reading passages ... are taught on this Sunday.

Grey and white bands show which weeks' passages will be covered together in the corresponding Sunday school class (the dark grey Sunday that falls within the same band). I.e., each Sunday school class session, the teacher covers all the reading passages that have been read since the previous session.

1 **Dark grey sabbaths** are the 1st and 3rd Sundays of each month, when Sunday school classes are held.

8 2nd and 4th Sundays are when we hold Relief Society, Young Women, and quorum meetings.

31 **Circled sabbaths** are 5th Sundays, when the bishopric chooses what is covered.

(TKM) ***Thoughts to Keep in Mind** is a series of mini-articles placed between some Come Follow Me lessons, that highlight and explain important themes or topics.

"Feel free to adapt the schedule to account for Sundays when regular Church meetings are not held. For example, you could cover two weeks of outlines in one Sunday lesson when ward or stake conferences or temple dedications are held. You may also need to adapt the study schedule if in your area Easter and Christmas are observed on dates other than those listed in this resource. ...

"The schedule will help you keep up with the material covered in Sunday classes, but don't feel bound by it; the schedule is simply a guide to help you pace yourself. The important thing is that you are learning the gospel individually and as a family."
